Subject: Ingustizzji mieghi biss

Lura fl-14 ta' Settembru 2019 kienet suppost intemmet l-ahhar restriction of freedom of communication order (rofoco) li mponejt u ingustament ghal aktar minn xahar iehor fuqi int u l-Psikjatra David Cassar. Dakinhar apparti l-mobile, irritornawli l-laptop imma bl-iscreen imfarrak u kelli nqabbad lill-ohti biex tiehdu tirrangah u swieni Eur140 li kelli nohroghom minn tieghi ghax c-CEO Stephanie Xuereb ghazlet li ma tikkumpensanix minkejja li dan gralu hekk sakemm suppost ittiehed biex jitpogga fis-sejf tal-isptar meta mponejt u r-rofoco. Ukoll darba rritornawli l-mobile qaluli li l-free wifi tal-isptar kienu qatghuh u minn Ottubru '19 'l hawn htiegli nohrog mal-Eur55 ohra biex ikolli ftit internet kif nghaddi l-gurnata ghax il-laptop darba rrangatuli ohti baqghu ma hallewnix indahhlu l-ewwel bl-iskuza tal-virus u mbaghad ghax qalu li mhux permess aktar f'Male Ward 7 fejn ninsab. Illum skoprejt li lill-pazjenti barranin kellom access ghall-wifi tas-sala ghax il-password lilhom kienu tawilhom, lili jidher li ngustament u diskriminatament kienu baqghu jcahduni minnha u qed jkolli nhallas minn buti. Ghalhekk nitlob li nigi ikkumpensat l-Eur195 li kelli ngustament nohrog sallum minn buti u li jien, bhalma ilu haddiehor, ninata access ghall-wifi tal-isptar u nithalla ndahhal il-laptop la r-rofoco suppost ilha xhur li spiccat. Jekk tibqa' ma tiehux passi nzommok responsabbli ghal din id-diskriminazzjoni li qedgha vilment issir mieghi biss.
