Case no R 0077

30 January 2018

Mr Nicholas Grech

Dear Mr Grech,

Reference is made to the complaint you lodged with this Office in connection with the request made by the Responsible Specialist in March 2015 for you to be granted leave of absence from Mount Carmel Hospital, a request which in terms of Article 37 of the Mental Health Act can only be granted following a decision of the Minister Responsible for Justice.

This Office has been informed that the Minister has granted this request subject to a number of conditions and that you have now started leave of absence from Mount Carmel Hospital under family supervision.

In view of the aforementioned the complaint will not be investigated further and will be closed by the Ombudsman.

Yours truly
