F'din il-link (<https://www.smashyouagainstthewall.com/index2.html#abbuziCassar>) minn website li ghamilt ghandhekk issib uhud minn dawn l-abbuzi. Nistaqsi jekk tistghax issir riferenza ghal dak li nkitab fir-rapport tal-Pulizija 8/r/2772 tas-sena 2020 meta kont xehedt quddiemhom jidhirli f'Lulju li ghadda u semmejtilhom uhud mill-abbuzi. Ghadda xahar u baqghet ma saret l-ebda nvestigazzjoni kif mitluba mill-avukat tieghi li jekk qatt issir nitlob li tkun preseduta minn Magistrat indipendenti biex ma jkunx hemm lokk ghal nuqqas ta' mparzjalita ghad-detriment tieghi povru pazjent imma s-skiet tieghek fuq xi haga hekk serja juri li ghandhekk motivi ohra hekk li mindu ghamilt l-ewwel kuntatt mieghek lura f'Gunju 2020 li ghadda ma rajtx hlief ingustizzji u m'ghamiltlix hlief hsara bhal transfers vendikattivi u hekk (la ma hadtx passi meta nformata jfissru li saru bil-barka kollha tieghek, m'ghandix l-icken dubju minn dan).

Ukoll fl-email permezz tal-avukat li baghtlek lura fit- 30/10/2020 kont tlabt biex nibdel il-Psikjatra minn David Casar wara li xbajt insofri abbuzi minnu u niehu cans naqleb taht J. Vella Baldacchino izda l-istess bqajt ma hadd l-ebda azzjoni x'jimpurtak mis-sahha tal-pazjent. Tahseb li hu san li pazjent li m'ghandu l-ebda fiducja fil-konsulent prezenti tieghu jibqa' jithalla xorta wahda tahtu? Mhux kollu torturi psikologika zejda fost l-ohrajn? Qed nibghatlek attachment ittra datata 7/12/2016 tal-Kummissarju J. Cachia fejn dan qed jghidli li biex nibdel "l-ispeccjalista responsabbli" kull m'hemm bzonn hu li ninforma l-awtoritajiet tal-isptar kif ghamilt mieghek permezz tal-avukat, mal-Psikjatra Anton Grech u l-customer care tal-isptar. Ghalhekk nitlobok biex ma tahlilix aktar hin biex nibdel il-konsulent u tinvestiga l-abbuzi li ilni snin insofri minn D. Cassar. Fil-kaz li ngdid il-hmerijiet intikom id-dritta biex tkisruni bil-pirmlu u l-injections, imma jekk le u nsostni kollox bi provi u dokumenti, nistenna li jittiehdu l-passi li hemm bzonn.

At this point I did rather reply myself, the victim, who can say better than anyone else from what Psychiatrist David Cassar had made me suffer in no less than 18 years since I came to know him. Just to mention one, during all these years, I was held hostage by Cassar that if I dare reveal any of the abuses, he would instantly turn them as me suffering from "delusions of persecution", "lack of insight", etc. and an excuse to lock me or keep me locked in hospital as he has done now for over more than 6 years, to issue the umpteenth restriction of freedom of communication order, and a not to be missed opportunity to ruin my health further by drugging me with unnecessary pills and injections to the illnesses he labeled me with without any scientific basis, to further silence me and kill me slowly through their side effects and psychological torture. I myself has built a website, <https://www.smashyouagainstthewall.com>, the links from which I had sent to you by mistake in a previous email, which for sure can serve as a much "better indication of what acts or omissions are expected to be investigated" from your part and the hospital administration. I am ready to be interrogated and clarify further the abuses I had long been suffering, lately not only from Cassar but also incredibly from your part as CEO by covering abuses of staff I had reported and taking your revenge on me, even coming with ridiculous excuses to not compensate me for the repairs I had to do in my laptop after it was vilely broken by the staff during the last restriction of communication order issued abusively and vilely by the same Cassar.

Dear Dr Tua,

Thank you for your email, the contents of which have been noted.

While the hospital finds no objection in initiating an internal investigation should sound allegations so merit, it would be greatly appreciated if you could explicate further what 'alleged abuse and distant of inhumane treatment' concretely refer to, so as to give a better indication of what acts or omissions are expected to be investigated.

Regards,

Dr S Xuereb

Dear Ms Xuereb,

Without Prejudice

I have been engaged to write to you upon request from Mrs Maria Dolores Fenech ID 0144569(M) and Mrs Marianne Grech(ID 0455463M) and this in lieu of a complaint involving their brother Mr Nicholas Grech who is currently undergoing treatment and recovering at Mt. Carmel Hospital.

By means of the same it is hereby being alleged that Nicholas Grech has suffered multiple abuses for several years under the hands of Dr David Cassar, the same case of which has been followed up by a police report following a current police investigation.

By means of the same we are kindly calling upon you and this in the best interest of Mr Nicholas Grech in order to substitute his present psychiatrist with that of Dr Joe Vella Baldacchino.

You are further being called upon to kindly ensure that the patients mental health is re- evaluated and that the proper treatment is being administered to Mr Grech, that is one which does not entail the alleged abuse and distant of inhumane treatment

Furthermore it is hereby being recommended in your capacity as CEO to commence an internal inquiry and investigation with regards to this matter which seems to be of alarm and great concern.

Awaiting a quick response

Thanking you in advance

Rachel Tua
