Ghaddew aktar minn 18-il siegha u lanqas acknowledgement ma ircivejt mill-puluzija, veru gharukaza ahseb u ara kemm investigaw. Hija rega' spicca maqful f'ward, minghajr mobile u laptop, b'restriction of freedom of communication order ohra f'inqas minn xahrejn bi ksur sfaccat tal-istess Mental Health Act Artiklu 3.1.r, ghax il-puluzija regghu baqghu ma hadux passi u ma tawhx il-protezzjoni li hemm bzonn. Darba ghaddew 32 jum f'din ir-restriction, vilment irritornawlu l-laptop imkisser. Daqshekk tal-isptar

jabbuzaw faccatament mil-pazjenti minghajr biza' li qatt jittiehdu passi kontrihom u l-puluzija lanqas biss jittnifsu minkejja li nfirmajthom f'emails precedenti!

Ghandna korp tal-puluzija bi prijoritajiet totalment ta' taht fuq fejn lil dak Emmanuel Camilleri fuq semplici qlajja ta' bintu mibnija minn ommha spicca ghamel fuq sena habs maqful innocentament u hija ghamel website shiha dokumenti iswed fuq l-abjad mimlija abbuzi sfaccati fosthom il-psikjatra David Cassar u l-puluzija lanqas biss jittniffsu, ghax bil-fatti ghal xi whud il-ligi donna ma tapplikax, tapplika biss l-impunita ghalihom, jithallew jaghmlu li jridu u jkissru lil hija Nicholas Grech (ID Card 435076M) maqful f'Male Ward 7 bil-pirmlu b'side effects tal-biza' ghax ghandu hafna x'jikkxef. Dan qisu tifel f'orfanatrofju u jikkxef abbuzi tal-istaff mal-puluzija u l-puluzija jhalluh abbandunat ghal rihu halli l-istaff aktar jivvendikaw ruhhom minnu bil-liberta kollha.

Nitlob li hija jigi interrogat kif suppost id-depot u jinghata recording tax-xhieda li jaghti halli jkollu x'juri jekk il-puluzija jergghu jibqghu ma jihdux passi.

Hija sofrta bizzzejjed abbuzi fuq medda ta' 19-il sena u hemm bzonn jittiehdu passi qabel ikun tard wisq u tissarraf f'fatalita ohra ghax il-puluzija jkunu naqsu li jintervjenu. Fil-kaz terfaghha int ir-responsabbilita?

Ghal dawn is-snin kollha hija nzamm mhedded u sekwistrat b'mazra m'ghonqu li jekk jissogra jikkxef dawn l-abbuzi, il-psikjatra David Cassar jdawwarha li hija qieghed ibati minn psikozi b'deluzzjonijiet ta' persekuzzjoni u skuza biex izommu maqful biex johroglu l-enezima, restriction of freedom of communication order (il-moda l-gdida) u biex aktar ikissru bil-pirmlu u bl-injections u bis-side effects tal-biza' taghhom ghax ghandu hafna x'jikkxef. Din biss ukoll hija akkuza serja aktar minn bizzzejjed biex il-puluzija jintervjenu qabel ikun tard wisq ghal hija. Nerga' ntenni biex ittuh il-protezzjoni li hemm bzonn illum qabel ghada.

Diga ktibt diversi drabi kif jixhdu l-emails li hawn.

Qiegħda nikteb f'isem hija Nicholas Grech Karta tal-Identita 435076M.

Talli rega' kixef xi abbuzi regghu għamlulu restriction of communication li daqt se jispicca. Illum it-tabib qallu li se jagħtuh il-laptop. Il-laptop veru wasal IZDA WASAL IMKISSER. Meta se tiehdu azzjoni meta se jkun tard wisq???? X'qegħdin tistennew?

Hija bħalissa jinsab f'Male Ward 7 u jixtieq jikkomunika mal-pulizija f'dan il-mument mill-aktar hin possibli. Nisma' minn għadkom.

Qiegħda nikteb f'isem hija Nichloas Grech karta tal-Identita 435076M.

Tistgħu tgħiduli x'serjeta hi din? Ilni fuq gimgha fi tliet okkazzjonijiet nitlob li hija Nicholas Grech Karta tal-Identita' 435076M jigi interrogat qabel ikun tard wisq, qabel jigi mkisser bil-pirmli u bl-injections, u

ghadu hadd ma baghat ghalih, ahseb u ara kemm hemm hegga jinvestigaw. Daqqa se jinvestiga Godwin Scerri, daqqa cempet certu Pawla Ciantar mill-ghassa tal-Mosta u dejjem jibqa' ma jsir xejn u z- zmien ghaddej. Donnu veru li xi whud jigu 'l fuq mil-ligi u jgawdu mill-impunita' u jaghmlu li jridu galor.

Se nzommkom responsabbli ghal zmien li hija qieghed jibqa' maqaful innocentament f'Male Ward 1 fl- isptar Monte Karmeli, ghal kwalunkwe deterjorament fuq sahhethija, u kif ukoll fuq sahheth ommi li jekk ilha tliet gimghat barra mill-isptar fejn sal-grizma ghamilnielha.

Tahsbu li mara ta' 87 sena tiflah ghal dan kollu? Meta se tagixxu meta jkun tard wisq.

Għaddew tliet ijiem u hija għadu ma giex interrogat.

Il-fatt biss li l-kaz tiegħu għosfor mill-arkivji tal-qorti u daqstant iehor il-file tiegħu sparixxa mill-isptar Monte Karmeli ma taħsibx li jixraqlu investigazzjoni ta' x'jista' jkun il-mottiv warajhom?
