Ghaziza Ms Fenech,

Grazzi tal-email tieghek però f'dan l-istadju jiena infurmata li l-pulizija ma jistghux jikkomunikaw mas-Sur Grech fuq istruzzjonijiet tat-tabib u minhabba l-ordni imsemmija.

Minn naha tieghi inkun nista' ninfurmak jekk ikun hemm xi zviluppi fil-kaz.

Tislijiet,

Insp. Sylvana

Ghaziza Ms Gafa

Grazzi tal-email tieghek.
Qieghda nerga' nikteb f'isem hija Nicholas Grech.

Qieghda nibghatlek din il-link li hija Nicholas Grech Karta tal-Identita [REDACTED] M ghamel fejn gabar uhud mill-abbuzi tal-psikjatra li Itaqa' magghom kemm ilu maqful gewwa l-isptar Monte Karmeli.

Kif jista' wiehed jibqa' ma jiehux azzjoni meta hawn dawn l-abbuzi kollha ssostanzjati bil-fatti?

Aktar ma jghaddi z-zmien aktar hemm probabilita li hija jigi illupjat u mkisser bil-pilloli u bl-injections li jgibuh dizabbli u ma jkunx f'pozizzjoni li jitkellem.

Kif tista' ma tintervjenux fid-dawl ta' daqs tant abbuzi?

F'isem hija qieghda nuza din l-email u se nzommukom responsabbli ghal kwalunkwe deterjorament li jista' jkollu hija Nicholas Grech (Karta tal-Identita [REDACTED] M) fuq sahtu per konsegwenza.

Subject: Re Information re Mr. Nicholas Grech

Ghaziza Ms Fenech,

B'referenza għall-email tiegħek mibghuta lill-Ministru Dr. Camilleri, ahna bhala Unit iccekjajna min qed jinvestiga l-kaz u gejna infurmati li l-kaz gie mgħoddi lill-Ispettur Spiteri. L-Ispettur Spiteri ipprova jagħmel kuntatt mas-Sur Grech pero' t-tabib ta' MCH infurmah li ma jistax jikkellm mieghu f'dan l-istadju għaliex għandu Restriction of Freedom of Communication Order.

Jekk tkun tixtieq li nikkuntatjawk sabiex nispegawlek ahjar jekk jogħgbok ibagħtilna n-numru tal-mobile tiegħek u nkunu nistghu naghmlu kuntatt miegħek.

Tislijiet,

Sylvana
