

Curriculum Vitae

Frederick Azzopardi a mechanical engineer by profession is 34 years old, married to Nadette nee' Falzon and has two daughters, Elisa Mae and Amaia Joy. He studied at the University of Malta where he graduated in Bachelor in Engineering with Honours in 1996 and Masters in Islands and Small States Studies in 2002. Currently he is employed as a Chief Engineer at the Services Division within the Ministry for Resources and Rural Affairs. He has contested the Mdina Local Council with success for the first time in 2006 and now he is serving his second term as a councillor until 2013. Before being elected as a councillor in Mdina, Frederick has also contested with success the local council election for the nearby locality of Rabat in the year 2000.
